**Sub: Poster Making Competition-reg.**

Sir/Madam,

As you are aware that NIOS practices multi channel approach and to supplement printed material various media like audio, video, Mukta Vidya Vani are being used to cater to the needs of learners. To enrich the educational needs of learners, a new initiative has been taken by NIOS by establishing Community Radio Station (CRS) which is going to be commissioned at the Headquarters very soon.

- The role and function of NIOS-CRS will be inter alia to:
- Disseminate education for social change and human development;
- Protect and promote local traditions, culture and heritage;
- Encourage community participation and livelihood improvement through NIOS-CRS;
- Ensure awareness to community for good governance and accountability;
- Enhance Right to know, RTE, Literacy, Child Education, Health, Hygiene and Cleanliness Issue.

Under the light of these roles and functions as well as to populate the coming NIOS-CRS among learners and masses a POSTER has to be developed. All Study Centres may conduct a 'Poster Making Competition' highlighting the role and functions of CRS and send the best three entries to Regional Centre, Patna before 10<sup>th</sup> July 2015. The participants will be NIOS learners at OBE, Secondary and Sr. Secondary level as well as Vocational. The best selected entries will be recommended to Hon'ble Chairman for prizes.

I hope you will take personal interest in this and help in developing a good poster.

Thanking you,

Yours Sincerely

  
Sanjay Kumar Sinha
